

When I'm Alone

Nevertheless

It's been years in the making
In my skin, I'm shaking from the cold
I am tired from the taking
And my heart won't stop breaking
And I know, I know
Moving forward
Can't be this hard

I'm just tryin' to find out
Who I am, on my own
I had you right beside me
Now you're gone and I know.
That when the room clears, I'm still here.
Who am I when I'm alone?

They say time is a healer
It's more like a concealer for a scar
Cause it never really leaves us
It can always find us where we are, we are
Who thought, it could
Ever be so hard?

I'm just tryin' to find out
Who I am, on my own
I had you right beside me
Now you're gone and I know.
That when the room clears, I'm still here.
Who am I when I'm alone? Alone.

There's so much I should have said,
When time was wearing thin
You're not here, but someday I know
I'll see you again.

I'm just tryin' to find out
Who I am, on my own
I had you right beside me
Now you're gone and I know.
I had you right beside me

But now you're gone, you're gone

I'm just tryin' to find out
Who I am, on my own
I had you right beside me
Now you're gone and I know

When the room clears, I'm still here
Who am I when I'm...
When the room clears, I'm still here
Who am I when I'm...
When the room clears, I'm still here
Who am I when I'm Alone?
