## Rachel Brown

I got this funny little feeling  
That I'm, about to lose my cool when  
you're here, everything starts spinning  
I'm drunk without even drinking

And I've got this tiny little secret  
I think it's best that I just keep it  
Locked up hidden in my pocket  
You found the key, guess I'd better spill it

Feels like I'm slipping on a slide  
Roller coaster ride  
Hands held high!  
Can't escape  
But maybe I'll feel alive  
This is right  
I got you by my side

My heart is beating like a kick drum  
Your love is what's keeping the rhythm  
Don't stop  
Keep playing like a rock star

My hand keeps crashing like a cymbal  
Once again muddled up and tangled  
Don't stop  
Keep playing like a rock star

Doo doo doo doo doo

Uh oh You've become a problem  
But I don't think I wanna solve you  
You're the reason I'm so restless  
You're my strength and you're my weakness

I'm cool just sitting here waiting  
For you, I could spend all day and  
Be fine I'd feel like I've wasted any time  
That's why you amaze me

Feels like I'm slipping on a slide  
Roller coaster ride  
Hands held high!  
Can't escape  
But maybe I'll feel alive  
This is right  
I got you by my side

My heart is beating like a kick drum  
Your love is what's keeping the rhythm  
Don't stop  
Keep playing like a rock star

My hand keeps crashing like a cymbal  
Once again muddled up and tangled  
Don't stop  
Keep playing like a rock star

Doo doo doo doo doo  
Doo doo doo doo doo  
Doo doo doo doo doo  
Doo doo doo doo doo

Doo doo doo doo

My heart is beating like a kick drum  
Your love is what's keeping the rhythm  
Don't stop  
Keep playing like a rock star  
Doo doo doo doo

My hand keeps crashing like a cymbal  
Once again muddled up and tangled  
Don't stop  
Keep playing like a rock star

Doo doo doo doo doo
