

Chameleon

Creedence Clearwater Revival

You took me runnin' up a wrong way street
When we got there, you said, "Can't you read?"
I must be blind but now and then I see
Another number where mine used to be, oh
Keep on changin' your face like a chameleon
Keep on changin' your face like a chameleon
I say, "What's up", and then you say, "It's down"
I see triangle, and you say, "It's round, round, round"
Saw an empty glass and you say "It is full"
Lord, it's so hot, then you come on cool, cool
Keep on changin' your face like a chameleon
Keep on changin' your face like a chameleon
Keep on changin' your face like a chameleon
Keep on changin' your face like a chameleon
