

It Matters to the Master

The Collingsworth Family

When life lets you down, and you feel more broken than whole
When the wounds go deeper than words and you can't tell a soul
I may not know what you're going through
May not can make that high mountain move
But one thing I've found that I really want you to know If it matters to you, it matters to the Master
He wants to share the burdens you bear
Whisper peace when your world gets shattered
If it's your greatest joy or your deepest pain
Or you're really needing an answer
If it matters to you, it matters to the Master Friend, do you think the Maker and giver of life
Is far too busy to care 'bout your trouble and strife?
He sees the sparrow that falls to the ground
And He hears the tears that don't make a sound
If you only knew how precious you are in His sight If it matters to you, it matters to the Master
He wants to share the burdens you bear
Whisper peace when your world gets shattered
If it's your greatest joy or your deepest pain
Or you're really needing an answer
If it matters to you, it matters to the Master If it's your greatest joy or your deepest pain
Or you're really needing an answer
If it matters to you, it doesn't only matter to you
If it matters to you, it matters to the Master
