Priceless

Flo Rida

i pulled up to the club on dubs
they say look at them go
look at them go
and raised up with some girls tryin to cut 3 times in a row
times in a row
cuz i spent 20 on my tires
30 to be icy
but me bein fly dats priceless
and i gave 40 to my side chick
50 to the wifey
but me bein fly dats priceless
baby dats priceless
err but the projects
postin dats the object
me talkin cash
then you better switch the topic
bitch nigga stop it
gon ahead and cop it
money in the bag
probly takin out the garbage
i know dem boys snitchin
cuz they're scared of 1st degree
but you can tell em f.e.d's
im in VIP
w/ 4 mill chedda keep boy keys
the window to the wall
supplier of wat you need
got no wife but the wife be my girlfriend
my girlfriend girlfriend
lookin for a girl friend
nick name tail spin
meet you in da whirlwind
lord hear the way
now dey ask you where the world went
i pulled up to the club on dubs
they say look at them go
look at them go
and raised up with some girls tryin to cut 3 times in a row
times in a row

cuz i spent 20 on my tires
30 to be icy
but me bein fly dats priceless
and i gave 40 to my side chick
50 to the wifey
but me bein fly dats priceless
baby dats priceless
im so fly
not to mention that im priceless
ya aint never seen
heard of them
none like this
thousand dollar jeans
air force 2 nike?s
prowlin in the club
give a f**k about indictments
scuse' me bartender but the drinks on me
2 magnums in my hand

one fo creeps one fo freaks
too much legal tender
so its raining bubbly
my ice the same color
how kelis used to be
HOLD UP WAIT A MINUTE
Pop pop niggas aint even they spinnin
I made a make dollars
So it have to make sense
Im born out liquor
Ima dead president
All of um dead
All of um died
Toe tag money see it fallin out da sky
Bitch if im priceless
Then burry me alive
My pockets like caskets
Death live inside
i pulled up to the club on dubs
they say look at them go
look at them go
and raised up with some girls tryin to cut 3 times in a row
times in a row
cuz i spent 20 on my tires
30 to be icy
but me bein fly dats priceless

and i gave 40 to my side chick
50 to the wifey
but me bein fly dats priceless
baby dats priceless
alligator wit da sways
50 on the carpet
all yellow hard 8s
scarface white leather
purple cush
green all red shinin any weather
customized jeeps for high priced life nigga
get it till you cant no mo
shop till you cant no mo
10 on some new shoes
50 on da boy
100 on some new jeans
and give a f**k bout the price
precious little tight blue heart on my mike
she?ll get your whole life for a stack
get yourself something nice
i pulled up to the club on dubs
they say look at them go
look at them go
and raised up with some girls tryin to cut 3 times in a row
times in a row
cuz i spent 20 on my tires
30 to be icy
but me bein fly dats priceless
and i gave 40 to my side chick
50 to the wifey
but me bein fly dats priceless
baby dats priceless
