New Girl

Violet Indiana

He tries to feed me whispers
Sweetly in my ear
He says the words
The ones that I need to hearI'm his blue bell
I'm his new girl
I'm his blue bell
I'm his blue bellHis heart is smiling
And it's right next to mine
I drift into his world
And I lose my mindI'm his blue bell
I'm his new girl
I'm his blue bell
I'm his blue bellI'm his blue bell
I'm his new girl
I'm his blue bell
I'm his blue bellWe walk together
Into fields colored blue
Kissed by the sun
I want to lie beside youNew girl
(Blue bell)
New girl
(Blue bell)
New girlI'm his blue bell
I'm his new girl
(Blue bell)
I'm his blue bell
I'm his new girl
I'm his blue bell
