

From Her Lips To God's Ears

Against Me!

Regime change under a Bush doctrine.

Democratic installations.

Constant war for constant soldiers. What are we gonna do now?

De-escalation through military force.

Increase the pressure.

Oh Condoleezza what should we do about the situation in Iran and North Korea? Condoleezza?

Democratic election under Marshall law.

An Iraqi president out of U.S.-controlled choices.

After all this death and destruction do you really think your actions advocate freedom?

The President's giving a speech in Georgetown to remember the voice of a slain civil rights leader.

Do you understand what the Martyr stood for?

Oh Condoleezza, do you get the fucking joke? [No!]

Condoleezza?

Condoleezza?

Condoleezza?

Condoleezza? What are we gonna do now?

Condoleezza?

Condoleezza?

Condoleezza? What are we gonna do now?
