Showing Out

Pusha T

Yeah, now this is for all the sexy ladies
Show out
Now I am, I am Trina, Trina 2010
Yeah, I'm showing out
Shawty shut it down, she step on the block
Make me wanna reach into my pocket
And throw out all my singles, all my singles
She showing out, she showing out
Shawty showing out, she showing out
She showing out, she showing out
She showing out, shawty showing out
He ain't never see a five star looking like this
He ain't never had me, I'm as good as it gets
Got a small thick frame, I spit a lot of game
305 representer off glass off the chain
I'm in the flyest fashion, 3-6-5
And ain't no doubt about it, yeah, I'm all the way live
See, I push a brinks truck so I'm always on full
I ain't waitin' on those lies, 40 acres and a mule
The boys see me coming, you should see them make it rain
They get wild with them hundreds, they know 50's ain't my thang
Cute face, nice ass with a lot of class
Them birds stay jealous 'cause they back do trash
Rearview in the past, never lived to see it coming
They know I'm in the swap when the crowd start running
I'm carried by the Ferros, new home out in Melrose
She showing out again, she the queen, baby hello
Shawty shut it down, she step on the block
Make me wanna reach into my pocket
And throw out all my singles, all my singles
She showing out, she showing out
Shawty showing out, she showing out
She showing out, she showing out
She showing out, shawty showing out
He tryna flaws for a boss chicks, spending all his cash
Taking me where ever tony, throw in the bag
We went to Bell Harbor, man, I made him spend a house
Told him, "Show me what you got, you a man or a mouse?"
He said he a man, I said show muscle

He pulled the black card out and said, "I aint gon' rush you"
You can take your time, get whatever that you like
And when you finish shopping, baby, we'll depart and take flight
I could pick the country where I wanna land
'Cause I was showing out, he wanna be my man
Wanna take me to Germany, spend a week out in London
Buy me homes out in Paris just 'cause I'm giving good loving
See, it's all about me 'cause I'm that he needs
All that money he spending, you'll think it grows out on trees
How I shop out in Italy then I'm back out in Paris
He love my name to bloody a hundred capers bogarrets, I'm showing out
Shawty shut it down, she step on the block
Make me wanna reach into my pocket
And throw out all my singles, all my singles
She showing out, she showing out
Shawty showing out, she showing out
She showing out, she showing out
She showing out, shawty showing out
When I step out I always keep them looking
I'm the entre 'cause I'm what's cooking
Showing out everyday like it ain't nothin'
Hoppin' out whatever 'cause you know I stay stunting
When I step out I always keep them looking
I'm the entre 'cause I'm what's cooking
Showing out everyday like it ain't nothin'
Hoppin' out whatever 'cause you know I stay stunting
You see me in the club, you know I'm showing out
You see me in the mall, you know I'm showing out
You see me in the bank, I could never draw it out
'Cause it will take to many days just to have them count it out
You see me in the club, you know I'm showing out
You see me in the mall, you know I'm showing out
You see me in the bank, I could never draw it out
'Cause it will take to many days just to have them count it out
I'm showing out
Shawty shut it down, she step on the block
Make me wanna reach into my pocket
And throw out all my singles, all my singles
She showing out, she showing out
Shawty showing out, she showing out
She showing out, she showing out
She showing out, shawty showing out
