

We're Moving Up to Kindergarten

Joe Guida the Singing School Bus Driver

We re moving up...to kindergarten
We re moving up...to kindergarten
As of today...we re on our way
We re moving up to kindergarten

We just can t wait...for kindergarten
We just can t wait ...for kindergarten
New things to learn, starting next term
In kindergarten

Farewell...goodbye...adios preschool
Deep in...our hearts...we love you!

We re moving up...to kindergarten
We re moving up...to kindergarten
We are departing...and glad we re starting
In kindergarten

Farewell...goodbye...adios preschool
Deep in...our hearts...we love you!

We re moving up...to kindergarten
We re moving up...to kindergarten
We are departing...and glad we re starting
In kindergarten

We re moving up!
