

# Voices

Dawn Richard

[Verse 1]

I put a brave, brave face on  
In a strange place, don't be long  
The air was thin, the shore was vast  
With fallen faith, no love out there

I put a brave face on  
Up in this strange place but[Pre-Chorus]

Can you hear the voices?  
Can you hear those voices?[Chorus]  
Can you hear those voices?  
Can you hear those voices?  
Can you hear those voices?

Can you hear those voices?[Verse 2]

I put a brave face on  
Up in a strange place, oh  
All the faces were numb

I was the only one

It's days like these I have to get upon my knees  
And ask God to see me, 'cause these souls ain't clean[Chorus]

Can you hear those voices?  
Can you hear those voices?  
Can you hear those voices?

Can you hear those voices?[Interlude]

The voices, the voices (Oh, God, can't you hear them?)  
The voices, the voices (Oh, God, can't you hear them?)  
The voices, the voices (Oh, God, can't you hear them?)  
The voices, the voices (Oh, God, can't you hear them?)  
The voices, the voices (Oh, God, can't you hear them?)

I try to put a brave face on  
The voices, the voices (Oh, God, can't you hear them?)  
The voices, the voices (Oh, God, can't you hear them?)

I'm going in a strange place, ain't home  
The voices, the voices (Oh, God, can't you hear them?)[Outro]

I try to keep my faith now  
The voices (Oh, God, can't you hear them?)  
The voices (Oh, God, can't you hear them?)  
Gotta stay strong  
The voices (Oh, God, can't you hear them?)  
The voices (Oh, God, can't you hear them?)

I put a brave face on  
The voices (Oh, God, can't you hear them?)  
The voices (Oh, God, can't you hear them?)  
I put my brave face on  
The voices (Oh, God, can't you hear them?)  
The voices (Oh, God, can't you hear them?)  
I put my brave face on  
I put my brave face on (The voices)  
I put my brave face on (The voices, the voices)  
I put my brave face on (The voices, the voices)
