Up North

Cru

Up north doo on, big ooh south side
(Give my nigga love on a seven inch slide)
Up north doo on, big ooh south side
(Give my nigga love on a seven inch slide)
Up north doo on, big ooh south side
(Give my nigga love on a seven inch slide)Aye, yo, I turned 21, bust 22 shots in the air
Like I don't care, I swear
Wanna represent all my peeps
Niggas maintain shits all the same in the gameUp north doo on, big ooh south side
(Give my nigga love on a seven inch slide)
Up north doo on, big ooh south sideLick a shot for my niggaz uptown
Lick a shot for my niggaz downtown
Lick a shot, baby, pop for all my real niggaz
That make this here world go 'roundYou see there's no short takin', no move fakin'
When you're the streets out makin' the bacon
Rakin' the doe is all a nigga know
The only difference now is I'm paid for my flow
But there's no right and wrong in the street
So keep it on, it's all about survival of the strongI got the pass like ark monk, kid pass the skunk
Comin' crazy strong like airborne is gum
All around the world, ghetto boys and girls
Rest in peace to my nigga Squrill
Niggas hustler as a majorUp north doo on, big ooh south side
(Give my nigga love on a seven inch slide)
Up north doo on, big ooh south side
(Give my nigga love on a seven inch slide)Up north doo on, big ooh south side
(Give my nigga love on a seven inch slide)
Up north doo on, big ooh south sideRollin' through the ghettos of New York City
Open up kids, here come the [Incomprehensible]
Straight to bring the buttahs from my peoples up north
Down south, back east, out west with forceFeelin' I'm a feelin' I could burst
One in the air make the whole crowd disperse
Y O G, baby, in it to win it
I send a slice of cake with a fuckin' foul in itIn a minute I'ma huff and puff and blow chunks down
Down to the ground with my Rhythm Blunt sound
I'm hellbound but who gives a fuck now?
I shook the hand of death and gave him a smileUp north doo on, big ooh south side
(Give my nigga love on a seven inch slide)
Up north doo on, big ooh south sideLet me know, let me know if you represent your ghetto

Ghettos of the mind anytime, anyplace, anywhere
Recognize you if you in thereHome so on the love, love
All your family show you love
Peeps show you love
We gon' show you loveMore love than slugs in the air
Yeah, beat you down without a care
What's fair is fair, up in the ghetto
Word up, 'cuz this ain't no sleepy type of meadow
Out in the wilderness, I'm skilled in this
Rap type shit, wordisborn I might flipUp north doo on, big ooh south side
(Give my nigga love on a seven inch slide)
Up north doo on, big ooh south side
(Give my nigga love on a seven inch slide)Up north doo on, big ooh south side
(Give my nigga love on a seven inch slide)
Up north doo on, big ooh south side
(Give my nigga love on a seven inch slide)Up north doo on, big ooh south side
Up north doo on, big ooh south side
Up north doo on, big ooh south side
Up north doo on, big ooh south side
Up north doo on, big ooh south side
South side, south side, south side, south side
