Knee Deep (featuring Jimmy Buffett)

[Zac Brown Band](#)

Gonna put the world away for a minute
Pretend I don't live in it
Sunshine gonna wash my blues away
Had sweet love but I lost it
She got too close so I fought it
Now I'm lost in the world tryin' to find me a better wayWishin' I was
Knee deep in the water somewhere
Got the blue sky, breeze and it don't seem fair
The only worry in the world
Is the tide gonna reach my chair
Sunrise, there's a fire in the sky
Never been so happy
Never felt so high
And I think I might have found me my own kind of paradiseWrote a note, said "Be back in a minute"
Bought a boat and I sailed off in it
Don't think anybody's gonna miss me anyway
Mind on a permanent vacation
The ocean is my only medication
Wishin' my condition ain't ever gonna go away'Cause now I'm knee deep in the water somewhere
Got the blue sky breeze blowin' wind through my hair
Only worry in the world
Is the tide gonna reach my chair
Sunrise, there's a fire in the sky
Never been so happy
Never felt so high
And I think I might have found me my own kind of paradiseThis champagne shore watchin' over me
It's a sweet sweet life livin' by the salty sea
One day you can be as lost as me
Change your geography and maybe you might beKnee deep in the water somewhere
Got the blue sky breeze blowin' wind through my hair
Only worry in the world
Is the tide gonna reach my chair
Sunrise, there's a fire in the sky
Never been so happy
Never felt so high
And I think I might have found me my own kind of paradiseCome on in
The waters nice
Find yourself a little slice
Grab a backpack

Otherwise you'll never know until you try
When you lose yourself
You find a key to paradise
