

# No Cowboy

Jason Kirkness

Well I never met a filly that I couldn't tame  
Til one special summer with what's her name  
She was in town for the rodeo  
Her daddy sold cars while her mama stayed home

Walked on up in my new cowboy boots  
Said a lil' somethin like how'd ya do?  
Rolled her pretty blue eyes, said, stop right there  
I didn't come here to get no country air

She said, No cowboy, no cowboy, no  
I don't date boys from the rodeo  
No cowboy, no cowboy, no  
You're better off talkin' to the hitchin' post  
No cowboy, no cowboy, no  
I love Billy Jean and rock n' roll  
No cowboy, no cowboy, no  
She said No, cowboy

Well I could tell right then she'd be the hardest to rope  
So I made a proposition and she couldn't say no  
This here's Bill, the meanest bull in the barn  
If I can stay on I get a kiss for a startâ€•

She laughed and said, This one's in the bank  
When your saddle has crutches then you're only to thank  
I hopped on up, gave a wink and haw  
City girl couldn't believe what she saw

Go cowboy, go cowboy, go  
Hold on tight and get ready to roll  
Go cowboy, go cowboy, go  
Betcha' never seen it done like this before  
Go cowboy, go cowboy, go  
If you want that kiss you better never let go  
Go cowboy, go cowboy, go  
She said, Go, cowboy

Well needless to say I got the girl on my arm  
And the sweetest little kisses in the back of the barn

She said, I never thought I'd ever meet a boy like you  
I can't help lovin' everything that you do

That was three years ago and every night since then  
We've be lacing up the saddles and pitchin' the tents  
Just goes to show you shouldn't let go and  
Never underestimate the cowboy code

Oh cowboy, oh cowboy, oh  
Hold on tight - never let me go  
Oh cowboy, oh cowboy, oh  
I love your faded jeans and the way we roll  
Oh Cowboy, oh cowboy, oh  
Never thought I'd find love at the rodeo  
Oh cowboy, oh cowboy, oh  
She says Oh, cowboy

Oh cowboy, oh cowboy, oh  
Hold on tight - never let me go  
Oh cowboy, oh cowboy, oh  
Betcha' never seen it done like this before  
Oh Cowboy, oh cowboy, oh  
Never thought I'd find love at the rodeo  
Oh cowboy, oh cowboy, oh  
She says Oh, cowboy
