Moonlight over the alley
â€¨Baby, where I come fromâ€¨
There's a poison girl, poison girlSister do medicine businessâ€¨
Three dollar down for the gun
â€¨She's a poison girl, a poison girlI'll be waiting uptownâ€¨
While she gone underground for a ride, yeah
â€¨I'll be waiting uptownâ€¨
While she passes some trick on the sideWell, I'm sitting here burning my moneyâ€¨
Worth nothing if only to score
â€¨With some poison girl, a poison girl - okThere's a place and I knowâ€¨
Anybody can go for a price yeah
â€¨There's a place and I knowâ€¨
You'll be putting your soul upon iceWell, now, mama said, "Son, what's your hurry?"â€¨
Mama don't know what I done
â€¨For the poison girl, the poison girl
