

# Waltz Me to Heaven

[Waylon Jennings](#)

It's been a long time since I've had a good time  
And I think it's high time I did  
Could I have this dance it feels like romance  
And it's good to be feeling like this The lights are down low, the band's playin' slow  
To the beautiful Tennessee Waltz  
How many love songs, how many dance floors  
Have lovers like us waltzed across So waltz me to heaven tonight  
To the waltz of the angels we'll blissfully blind  
On past the milky way to paradise  
Won't you waltz me to heaven tonight Waltz me to heaven tonight  
Honky tonk angels in heavenly flight  
With the moon as our halo and the stars in our eyes  
Won't you waltz me to heaven tonight?
