

# Wake Up Dead Man

**James Reyne**

No trouble gone away  
Blues-weary lazy day  
No way, no way, yeah No pressure, big sky  
Coco-Cola, my Lai  
No way, no way, yeah How many pitchers  
Can a water man carry  
How many pitchers  
Can a water man draw Gunslinger, golden eye  
November, long goodbye  
No way, no way, yeah  
No way, yeah
