P-O-L-O Da DonShawty said she really feeling me like yeah, oh yeah

Shawty said she wanna roll with me

I said yeah, oh yeahShe don't know that we going back to the crib

She know that I'm on her

She don't know that we going back to the crib

Back to the crib, yeahShe wanna roll with me, she wanna go with with me

But she don't know I'm tryin' to take her back home with me

I told her have a seat in my ride

She said I look like I taste good and she wanna eat me aliveShe lookin' good in them new tall heels

I'm looking at her like a four course meal

Chill, I got all the girls checkin' me

They know I'm a dog, but they love my pedigreeYeah, just call me Mr. Orgasm

And if you come with me, I guarantee you're gon' have one

Hottest in the hood, freshest on the block

Why stop on this Gucci and this Louie that I rock?If not, I stay Polo down to the socks

Rings, chain and the watch worth more than Fort Knox

Temporary place on the Audi R8

Diamonds match what I'm wearing, she can't stop staringShawty said she really feeling me like yeah, oh yeah

Shawty said she wanna roll with me

I said yeah, oh yeahShe don't know that we going back to the crib

She know that I'm on her

She don't know that we going back to the crib

Back to the crib, yeahRunway walk, beauty Queen face

Video body, see the curves in her shape

And everything her momma gave her, she know how to shake

Thicker than a milkshake, and I'm tryna get a tasteHer hair did, manicure, pedicure, attitude like Vivica

When she play, they set it off

She feelin' my swag, she feelin' my G

Not only is she dancing, she feeling on me, and I'm feeling you tooSo I put my hands on her

Just to let her know the feeling's mutual

Lil' mama, we can birthday text
Yes I said text, but I know you know what I really meant
Tell me what you will do, tell me what you won't do
Tell me what you don't know how to do so I can show you
I'ma give it to you, give it to you like I owe you
And after I'm done, I'ma tell you I told you
Shawty said she really feeling me like yeah, oh yeah
Shawty said she wanna roll with me
I said yeah, oh yeah
She don't know that we going back to the crib
She know that I'm on her
She don't know that we going back to the crib
Back to the crib, yeah
Shawty said she really feeling me like yeah, oh yeah
Shawty said she wanna roll with me
I said yeah, oh yeah
She don't know that we going back to the crib
She know that I'm on her
She don't know that we going back to the crib
Back to the crib, yeah
You should know me
I can see myself in your future
That's hood, OG
I've made up my mind, I'm choosing ya
Don't say you won't try to leave me
I'm feelin' ya
Burnin' is waiting on us
Girl, meet me at the valet
Lamborghini Breezy
I'ma transform you, name you Mrs. Breezy
Stunt so hard, but I make it look easy
Let's do it like we do it like we doing it for TV
Shawty said she really feeling me like yeah, oh yeah
Shawty said she wanna roll with me
I said yeah, oh yeah
She don't know that we going back to the crib
She know that I'm on her
She don't know that we going back to the crib
Back to the crib, yeah
I'm like yeah, I'm like yeah
Yeah
She don't know that we going
She don't know that we going
