Place Called Victory

Place Called Victory
Written by Deon Kipping
I can tell you 'bout pain
Pain, I've been there
And I can tell you 'bout change
Change, I've been there
And I've had the joys of fame
Joys of fame, I've been there
But there's nothing like the place
But there's nothing like the place called victory
(Repeat verse)
We've always been here
We've always been here but we just
Just couldn't see it
We stand in victory
We stand in victory but we have to believe it
Have you ever had strong faith?
Strong faith, I've been there
But you were moving at a slow pace
Slow pace, I've been there
Still needing the Lord's grace
Needing grace, I've been there
But there's nothing like the place
But there's nothing like the place called victory
(Repeat verse)
I will stand in victory
I will walk in victory
I will live in victory
I belong here, I belong here(Repeat)
I wanna stay here forever
Lord I, I wanna stay here forever
(Repeat)
I will stand in victory
I will walk in victory
I will live in victory
I belong here, I belong here
I wanna stay here forever
Lord I, I wanna stay here forever(Repeat)
I belong here (x16)

There's nothing like the place called victory.
