

# My Girl's Got Guts

## Nuclear Rabbit

My Girls Got Guts, She Lets Me Borrow  
Don't Have To Ask Her When I Want To Take Them Out When It Gets Cold, I Wear Them Like A Scarf  
Wrap Them Around My Neck, Her Big Intestinal Tract My Girl's Got Guts... She Does  
My Girl's Got Guts  
My Girl's Got Guts 'Cause I Like To Double Dutch With Her Guts  
Use 'em Like A Bungee Cord, Hook 'em To The Door, Drag 'em Across The Floor  
Her Guts Are Smooth... No Need To Pull A Jack Move  
Reach In Her Ass And Pull Out A Foot Or Two When I Get Hungry, Her Guts They Make A Great Snack  
Chop 'em Up And Put 'em In My Backpack  
Sprinkle 'em With Sauce, I Give Her Guts A Good Toss  
When I'm Done Grubbing, I Use That Shit For Dental Floss  
My Girl's Got Guts... She Does  
My Girl's Got Guts  
My Girl's Got Guts Looks Like A Tail, My Girls Entrails  
Leaving A Trail That I Can't Ignore  
My Girl's Got Bowels, I Whip Like Towels  
I Grip Those Bowels And I'll Never Let Them Go  
Don't Need A Rubber, Her Guts Will Cover My Little Lover Swinging From A Tree, Just Her Guts And Me  
Wish My Friends Could See, Just Her Guts And Me Swinging From A Tree, Just Her Guts And Me  
Wish My Friends Could See, Just Her Guts And Me One Intestine, Two Intestine, Three  
My Girl's Got Guts, Her Guts Gots Me  
I Take Them In The Back Room, Use 'em As A Broom  
And When I'm Out Driving My Girls Guts Go Vroom Vroom Vroom  
'Cause When I'm In A Race And I Needs To Be In First Place  
Those Guts They Catapult Me To The Proper Place  
Siskel And Ebert Gave My Girl's Guts The Thumbs Up  
'Cause Those Dope Motherfuckers Know What's Up Her Butt  
That's Right, My Girl's Got Guts, So Now What My Girl's Got Guts... She Does  
My Girl's Got Guts  
My Girl's Got Guts... She Does
