Sweetest Berry

Wayne Brady

You possess a beauty deep within
That soothes me when Im around you
Your skin is butterscotch on porcelain
My sweet tooths glad I found youNow I am in search of words to sing
A melody fit for a queen
As sweet as what I'm feelin in my heartLike sugar on the hot black berry
Different than the ordinary
You're the sweetest berry on the vine
Like cherries deep in melted chocolate
Caramel with whipped cream toppin'
You're the sweetest berry on the vineNever had I seen a perfect face
Till my eyes fell upon you
And never had I felt true love's embrace
Until the day I held you
Now I am in search of words to sing
A melody fit for a queen
As sweet as what I'm feelin in my heartLike sugar on the hot black berry
Different than the ordinary
You're the sweetest berry on the vine, vine
Like cherries deep in melted chocolate
Caramel with whipped cream toppin'
You're the sweetest berry on the vineAnd when I think of how I wanna live my life
I think of how I am when I am with you
Cause you're the sweetest berry on the vineLike sugar on the hot black berry
Different than the ordinary
Now you're the sweetest berry on the vine
Like cherries deep in melted chocolate
Caramel with whipped cream toppin'
And you're the sweetest berry on the vineLike sugar on the hot black berry
Different than the ordinary
Now you're the sweetest berry on the vine
Like cherries deep in melted chocolate
Caramel with whipped cream toppin'
You're the sweetest berry on the vineLike sugar on the hot black berry
Different than the ordinary
You're the sweetest berry on the vine
Like cherries deep in melted chocolate
Caramel with whipped cream toppin'
You're the sweetest berry on the vine
