

Walk On The Water

[Britt Nicole](#)

You look around
It's staring back at you
Another wave of doubt
Will it pull you under
You wonder What if I'm overtaken
What if I never make it
What if no one's there?
Will you hear my prayer? When you take that first step
Into the unknown
You know that He won't let you go So what are you waiting for?
What do you have to lose?
Your insecurities, they try to alter you
You know you're made for more
So don't be afraid to move
Your faith is all
It takes in you
You can walk on the water too So get out
and let your fear fall to the ground
No time to waste
Don't wait
Don't you turn around and miss out
Everything you were made for
I know you're not sure
So you play it safe
Try to run away If you take that first step
Into the unknown
He won't let you go So what are you waiting for?
What do you have to lose?
Your insecurities, they try to alter you
You know you're made for more
So don't be afraid to move
Your faith is all
It takes in you
You can walk on the water too (Step Out)
Even when it's stormin'
(Step Out)
Even when you're broken
(Step Out)
Even when your heart is telling you, telling you to give up

(Step Out)

When your hope is stolen

(Step Out)

You can't see where you're going

You don't have to be afraid So what are you waiting for? So what are you waiting for?

What do you have to lose?

Your insecurities, they try to alter you

You know you're made for more

So don't be afraid to move

Your faith is all

It takes in you

You can walk on the water too
