

A Wish For Something More

[Amy Macdonald](#)

Oh the sun is shining far too bright
For it to still be night
Oh the air feels so cold, so cold and old
How can it be light? Let's take a walk outside
See the world through each other's eyes
I wish I was your only one I think you're beautiful but your hair is a mess
And your shoes are untied but that's what I love best And I, I wish I was the one, your one and only sun and you
looked at me that way
I wish for long lingering glances
Fairy tale romances every single day
And you look at me and say I'm your best friend every day
But I wish for something, wish for something more
Oh I love you like a friend, but let's not pretend how I wish for something, wish for something more
