

# What Would Happen

Meredith Brooks

Electricity, eye to eye  
Hey, don't I know you, I can't speak  
Stripped my senses on the spot  
I've never been defenseless  
I can't even make sense of this  
You speak and I don't hear a word  
What would happen if we kissed?  
Would your tongue slip past my lips?  
Would you run away, would you stay  
Or would I melt into you?  
Mouth to mouth, lust to lust  
Spontaneously combust  
The room is spinning out of control  
Act like you didn't notice, brushed my hand  
Forbidden fruit, ring on my finger  
You're such a moral, moral man  
You throw it away, no question  
Will I pretend I'm innocent?  
What would happen if we kissed?  
Would your tongue slip past my lips?  
Would you run away, would you stay  
Or would I melt into you?  
Mouth to mouth, lust to lust  
Spontaneously combust  
What would happen if we kissed?  
I struggle with myself again  
Quickly the walls are crumbling  
Don't know if I can turn away  
What would happen if we kissed?  
Would your tongue slip past my lips?  
Would you run away, would you stay  
Or would I melt into you?  
Mouth to mouth if we kissed  
Would your tongue slip past my lips?  
Would you run away, would you stay  
Or would I melt into you?  
Mouth to mouth if we kissed, if we kissed
