

We've Got a Good Fire Goin'

[Don Williams](#)

There's a storm rollin' over the hill and the willow trees are blowin'
I'm standin' here starin' out the window, safe and warm
I feel her put her arms around me and it's a good feelin' I'm knowin'
Oh, I've got a good woman and we've got a good fire goin' We've got a feast on the supper table, bread for
breakin'
A blessing from the Lord for makin' me such a fortunate man
The light of my life in the candle, her face a glowin'
Oh, I've got a good woman and we've got a good fire goin' So let it rain
(Let the rain fall down)
Let it rain
It won't do nothin' but kindle a never ending flame
Let it rain
(Let the rain fall down)
Let it rain 'til mornin'
Oh, I've got a good woman and we've got a good fire goin' Now there's a hard rain fallin' on the roof
Coffee comin' from the kitchen
I'm lyin' here listenin' to the ceiling on the living room floor
I feel her lay down beside me, my love is overflowin'
Oh, I've got a good woman and we've got a good fire goin'
Oh, I've got a good woman and we've got a good fire goin'
