Nothing Is Impossible

Shout Praises Kids

Isn't life strange
A total mystery
As we passed each day
Did you notice me?

And I know girl
You've been looking at me
And I know now
That you and me were meant to be
What would it take to realise
That in my heart
No matter what they say

No matter what they say
When it comes to love
Two hearts are inseparable
No matter what they say
When it comes to love
Nothing is impossible

Walking down that road
It's coming back to me
Did you feel it inside
A thousand memories

[Chorus]

When it comes to you and me
There's so much more
Than they can see
And that's how it's meant to be

[Chorus]
