Beautiful With You

Halestorm

I stare ?
at the girl in the mirror
t-shirt ?
torn up jeans, no beauty queen.

But the way that you see me
You get underneath me
and all my defenses just fall away ? fall away ?
(chorus)
I am beautiful with you
even in the darkest part of me
I am beautiful with you
Make it feel the way its supposed to be
You're here with me
You show me this and I?ll believe
I am beautiful with you ?.

I stand ?
naked before you now
no walls ?
to hide behind, so here am I.
See all of my scars
Still here you are
I bare my soul and I am not afraid ? not afraid.

(chorus)
I am beautiful with you
even in the darkest part of me

I am beautiful with you
Make it feel the way its supposed to be
You're here with me
You show me this and I?ll believe
I am beautiful with you ?.

(bridge)
I?ve been the strong one
for so long but
I was wrong?
Doesn't make me weak if you?re needing someone

I?m not holding back, yeah, I know what I want

I am beautiful with you ?. I am beautiful with you ?.

You want me for myself
You get me like no one else!

I am beautiful with you ? (with you)

(chorus)
I am beautiful with you
even in the darkest part of me
I am beautiful with you
Make it feel the way its supposed to be
You're here with me
You show me this and I?ll believe
I am beautiful with you ?.
