

Candy Shop

Madonna

See which flavor you like and I'll have it for you
Come on in to my store, I've got candy galore
Don't pretend you're not hungry, I've seen it before
I've got Turkish delight baby and so much more
Get up out of your seat (Your seat)
Come on up to the dance floor
I've got something so sweet (So sweet)
Come on up to the front door
I need plenty of heat (Heat)
Form a special connection
Just start moving your feet (Your feet)
Move on over to me I'll be your one stop (One stop)
Candy shop (Candy shop)
Everything (Everything)
That I got (That I got)
I'll be your one stop (One stop)
Candy store (Candy store)
Lollipop (Lollipop)
Have some more (Have some more) All the suckers are not what we sell in the store
Chocolate kisses so good
You'll be beggin' for more
Don't pretend you're not hungry
There's plenty to eat
Come on in to my store
'Cause my sugar is sweet! Get up out of your seat (Your seat)
Come on up to the dance floor
I've got something so sweet (So sweet)
Come on up to the front door
I need plenty of heat (Heat)
Form a special connection
Just start moving your feet (Your feet)
Move on over to me I'll be your one stop (One stop)
Candy shop (Candy shop)
Everything (Everything)
That I got (That I got)
I'll be your one stop (One stop)
Candy store (Candy store)
Lollipop (Lollipop)
Have some more (Have some more) Sticky and sweet
My sugar is raw

My sugar is raw

Sticky and sweet
My sugar is raw
Sticky and sweet
