

Safety Dance

Dandi Wind

We can dance if we want to
We can leave your friends behind
'Cause your friends don't dance and if they don't dance
Well they're, no friends of mineSay, we can go where we want to
A place that they will never find
And we can act like we come from out of this world
And leave the real one far behindAnd we can dance, dansezWe can go when we want to
The night is young and so am I
And we can dress real neat from our hats to our feet
And surprise them with a victory crySay, we can act if we want to
If we don't nobody will
And you can act real rude and be totally removed
And I can act like an imbecileAnd sayWe can dance, we can dance
Everything's out of control
We can dance, we can dance
We're doing it from pole to poleWe can dance, we can dance
Everybody look at your hands
We can dance, we can dance
Everybody's taking the chanceIt's a safety dance
Oh well it's safe to dance
Yes it's safe to danceWe can dance if we want to
We've got all your life and mine
As long as we abuse it, never going to lose it
Everything will work out rightI say, we can dance if we want to
We can leave your friends behind
'Cause your friends don't dance, and if they don't dance
Well they're no friends of mineI say, we can dance, we can dance
Everything's out of control
We can dance, we can dance
We're doing it from pole to poleWe can dance, we can dance
Everybody look at your hands
We can dance, we can dance
Everybody's taking the chanceWell it's safe to dance
Yes it's safe to dance
Well it's safe to danceWell it's safe to dance
Yes it's safe to dance
Well it's safe to dance
Well it's safe to danceIt's a safety dance
Well it's a safety dance

Oh it's a safety dance
Oh it's a safety dance
Well it's a safety dance
