

# Beggin For Thread (Gryffin & Hotel Garuda Remix)

## Banks

So I got edges that scratch  
And sometimes I don't got a filter  
    But I'm so tired of eatin'  
    All of my misspoken words  
I know my disposition gets confusing  
My disproportionate reactions fuse with my eager state  
That's why you wanna come out and play with me, yeahWhy? Why?  
    Why?Stooped down and out, you got me beggin' for thread  
    To sew this hole up that you ripped in my head  
    Stupidly think you had it under control  
    Strapped down to something that you don't understand  
    Don't know what you were getting yourself into  
You should have known, secretly I think you knewI got some dirt on my shoes  
    My words can come out as a pistol  
    I'm no good at aimin'  
    But I can aim it at you  
    I know my actions, they may get confusin'  
    But my unstable ways is my solution to even space  
That's why you wanna come out and play with me, yeahStooped down and out, you got me beggin for thread  
    To sew this hole up that you ripped in my head  
    Stupidly think you had it under control  
    Strapped down to something that you don't understand  
    Don't know what you were getting yourself into  
    You should have known, secretly I think you knew  
    (Secretly I think you knew)Hold it out, whoa  
    Try to hide it out, but my tracks are better  
        Hold it out, whoa  
    Try to hide it out, but my tracks are betterHold it out, whoa  
        Try to hide it out, but my tracks are better  
        Hold it out, whoa  
    Try to hide it out, but my tracks are betterStooped down and out, you got me beggin' for thread  
        To sew this hole up that you ripped in my head  
        Stupidly think you had it under control  
        Strapped down to something that you don't understand  
        Don't know what you were getting yourself into  
        You should have known, secretly I think you knew  
        (Secretly I think you knew)
