

# Monster

Meg Myers

I gotta know that your heart beats fast and  
I gotta know I'm the only one for you  
what have I become?  
I'm a fucking monster  
when all I wanted was something beautifulmy love, too much  
your love, not enough  
my love, too much  
your loveOh, what it takes out of me to lay by your side  
Oh, well it aches and it aches  
you make me wanna die  
I gotta kill you, my love  
I gotta kill you, my love  
Oh, what it takes out of me to lay by your sideYou said forever, now you look right through me  
you said forever, did your words fall short like you?  
what have I done?  
I'm a fucking monster  
when all I wanted was something beautifulmy love, too much  
your love, not enough  
my love, too much  
your love...Oh, what it takes out of me to lay by your side  
Oh, well it aches and it aches  
you make me wanna die  
I gotta kill you, my love  
I gotta kill you, my love  
Oh, what it takes out of me to lay by your sidemy love, too much  
your love, not enough  
my love, too much  
your love...
