

# The Middle

Jeffrey Martin

I take my chances on frozen lakes  
I don't go to church on Sundays  
I traded my water for whiskey  
But I know my God and he knows me

Don't go running your mouth at me  
About the light and the dark and nothing in between  
I see a right and a wrong and a line in the middle  
Don't forget about the middle (x3)

I fell in love in a bar downtown  
She was a one night stand who stuck around  
Now I'm the only man she ever dances for now  
We're both missing some pieces but make it work somehow

Don't go pointing your finger at me  
You don't know where I've been or what I've seen  
Closing your eyes is not the answer to the riddle  
I found it in the middle (x3)

Yeah, don't go pointing your finger at me  
You don't know where I've been or what I've seen  
Closing your eyes is not the answer to the riddle  
I found it in the middle (x2)  
I think you'll like it in the middle  
Why don't you try it in the middle  
Water's nice here in the middle (x2)
