

Starry Eyed

[Ellie Goulding](#)

Oh, oh, starry eyed
Hit, hit, hit, hit, hit me with lightning
Handle bars, never let go
Let go for anyone
Take me in, and throw out
My heart and get a new one
Next thing, we're touching
You look at me it's like you hit me with lightning
Oh, everybody's starry eyed
And everybody knows
Oh, everybody's starry eyed
And my body glows
So we burst into colors
Colors and carousels
Fall head first
Like paper planes and playground games
Next thing, we're touching
You look at me it's like you hit me with lightning
Oh, everybody's starry eyed
And everybody knows
Oh, everybody's starry eyed
And my body glows
Next thing we're touching
Next thing we're touching
Next thing we're touching
Next thing we're touching
Next thing we're touching
Next thing we're touching
Next thing we're touching
Next thing we're touching
Hit me with lightning
Oh, everybody's starry eyed
And everybody knows
Oh, everybody's starry eyed
And my body glows
Oh, everybody's starry eyed
And everybody knows
Oh, everybody's starry eyed
And my body glows
