

# Lonesome Blues

## Jennings, Shooter

I had a woman  
Livin' way back o' town  
Yeah, she treated me right  
    Never let me down  
    But I wasn't satisfied  
    I had to run around  
Now she's gone and left me  
    I'm worried as can be  
Oh, I've searched this world all over  
    Wonderin' where she could be  
    I would ask that she forgive me  
And maybe she'll come back to me  
    But I doubt it  
    I'm lonesome and blue  
And I've learned a thing or two  
    Oh, fellas here's a tip  
    I'm gonna pass on down to you  
    Never mistreat your woman  
'Cause it's gonna bounce right back on you
