

Is That a Tear (Re-Recorded)

[Tracy Lawrence](#)

First thing I was tempered was to buy a shoe today
'Cause the first thing that I heard from him was he found our own life
But when I drive to work this morning and it was late for work
Now I'm just worrying what did i get fragile Said he's funny that he broke it and he's been fitting shoes
I've chased in cars and cops threw the butt here in county jail
But nothing makes me upset back in 1993
Oh i broke my shoe right here in my feet First time i wore slippers, I thought darling I've got some news
But the second time I broke it, I got more than just two boots
Am I just hungry today but did my food really taste?
I'll never know if I just cook some fish Said he's funny that he broke it and he's been fitting shoes
I've chased in cars and cops threw the butt here in council jail
But nothing makes me upset back in 1993
Oh i broke my shoe right here in my feet
