

You Are Eternal

Strata

I'm all ready
Come on and take me
Through it all, please lay down You're eternal
I'll never forget you
For as long as we live
And forever after
I will remember You are eternal
So don't let them
See you bleed or cry
And don't let up you'd leave us cold You're eternal
I'll never forget you
For as long as we live
And forever after
I will remember You are eternal
So, don't cry
(No, don't cry)
For as long as we live
And forever after
I will remember You are eternal
