Even The Losers

Tom Petty And The Heartbreakers

Well it was nearly summer, we sat on your roof
Yea, we smoked cigarettes and we stared at the moon
And I'd showed you stars you never could see
Baby, it couldn't have been that easy to forget about me
Baby, time meant nothing, anything seemed real
Yea, you could kiss like fire and you made me feel
Like every word you said was meant to be
No, it couldn't have been that easy to forget about me
Baby, even the losers get lucky sometime
Even the losers keep a little bit of pride
They get lucky sometime
Ohh
Two cars parked on the overpass
Rocks hit the water like broken glass
I should have known right then it was too good to last
God, it's such a drag when you're livin' in the past

Baby, even the losers get lucky sometime
Even the losers keep a little bit of pride
They get lucky sometime
Baby, even the losers get lucky sometime
Even the losers keep a little bit of pride
Yea, they get lucky sometime
Baby, even the losers get lucky sometime
Even the losers get lucky sometime
Ohh ohh ohh ohh
Even the losers get lucky sometime
Ohh ohh
Ohh
Baby, even the losers get lucky sometime
