

Be One (Bonus Tracks)

Killswitch Engage

With conviction You must stand your ground
Don't be deceived
Strength is salvation It is so easy to live the life of a follower We must kill the idols
Don't fall prey to seduction
With single-mindedness We must pursue the truth Nevermore the victim
Let them say that we are not of their world With the promise of life
We are strong
We will carry on Kill the idols No more disillusion
Let them say what they will (what they will)
Their answer to our higher calling
Is conceived by their hatred Nevermore the victim
Let them say that we are not of their world With the promise of life
We are strong
We will carry on
With the promise of life
We are strong
We will carry on Be one, for your conviction
Be one for your devotion
You will be hated
For your dedication
You will be hated
You will be hated With the promise of life
We are strong
We will carry on
