All The Days

FM Static

This is the last day of our freshmen summer
Text books and essays wait around the corner
Saying goodbye now to our best friends
We'll try if we can to get home on the weekendsI gotta run now go home and take a shower
We all can meet up at your house in half an hour
I can't get ready any faster we better make it quarter afterRunnin' through the high school hallways
This is all we've known until now
And I don't ever wanna slow down
I'm packed, and I'm ready to go nowNow we'll all meet up and go our own ways
Probably won't see each other the same ways
But no matter what happens we'll never
Forget all the times we've had togetherRunnin' through the high school hallways
This is all we've known until now
And I don't ever wanna slow down
I'm packed, and I'm ready to go nowAll the days we've been traveling together
I won't even look over my shoulder
Till I find a cure for getting olderRunnin' through the high school hallways
This is all we've known until now
And I don't ever wanna slow down
I'm packed, and I'm ready to go nowAll the days we've been traveling together
I won't even look over my shoulder
Till I find a cure for getting older
