

# Damn Rough Night

## Artist Vs Poet

Advisory - the following lyrics contain explicit language:

It's gonna be a damn rough night  
for the designated driver.  
'cause it's me and whoever  
and you know we won't remember. Sorry for what I'm about to do.  
Turning 21 is a bitch to go through. Before we take a drink, let's toast  
to the never have I ever's.  
'cause tonight is the night that  
we'll talk about forever. So take my keys and hide my cell phone.  
If I turn into trouble, at least I warned you. Let's recap and get caught up.  
No one said enough's enough.  
I let go the better part of me. I guess I had a damn rough night.  
I'm still piecing it together.  
There's a girl in my bed  
and I haven't even met her. I had a damn rough night  
and I can't even remember.  
Threw my clothes in the fire  
and I turned into a streaker. Sorry for what I'm about to do.  
Turning 21 is a bitch to go through.  
All these crazy things we do.  
Turning 21 is a bitch to go through. I heard I was a big chaotic  
mess at the occasion.  
Was a total disaster and  
now I'm fading faster. I'll keep the score never realized  
so I pass the time until I feel alive.  
And I am not like this all the time. Let's recap and get caught up.  
No one said enough's enough.  
I let go the better part of me. I guess I had a damn rough night.  
I'm still piecing it together.  
There's a girl in my bed  
and I haven't even met her. I had a damn rough night  
and I can't even remember.  
Threw my clothes in the fire

and I turned into a streaker.Sorry for what I'm about to do.  
Turning 21 is a bitch to go through.  
All these crazy things we do.  
Turning 21 is a bitch to go through.And if I had the chance  
you know I'd do it all again.  
And if I had the chance  
you know I'd do it all again.Looks like I had a damn rough night.  
I'm still piecing it together.  
Their's a girl in my bed  
and I haven't even met her.They say I had a damn rough night  
and I can't even remember.  
Threw my clothes in the fire  
and I turned into a streaker.Sorry for what I'm about to do.  
Turning 21 is a bitch to go through.  
All these crazy things we do.  
Turning 21 is a bitch to go through.Sorry for what I'm about to do.  
Turning 21 is a bitch to go through.  
All these crazy things we do.  
Turning 21 is a bitch to go through  
is a bitch to go through.
