

Kellys 12 Play

The Dream

Now I'm lookin' through my CD collection
The last time it was right behind confessions
I'm looking for the right cover, the name's in red letters
Can't wait to pop it in my base and put our bodies together I'm fitna stunt like my daddy up in here
Girl you got my lips hangin' off your ear
Clean the CD, check for scratches, get up on my mattress
Now we doin' it to Kelly's 12 play You can't ruin it, I'm doin' it to Kelly's 12 play
Like a DJ we screwin' it while we doin' to Kelly's 12 play
Ooh, ooh, oohin' it, I'm doin' it to Kelly's 12 play
Your body's the cup, my body's the coffee
And I'm brewin' it while we doin' it to Kelly's 12 play We gon' come up off the bed, push up to the dresser
Got her all up on my CD player,
Skip, skip, skip, skip, skip, skip back to seven And we both sweatin' it out like it's a fire up in here
Reach my hand up to the remote, gotta play that one more again
As we repeat steps 1 through 12
She like thank you Dream, I'm like no thank you Kelly I'm fitna stunt like my daddy up in here
Girl, you got my lips hangin' off your ear
Clean the CD, check for scratches, get up on my mattress
Now we doin' it to Kelly's 12 play You can't ruin it, I'm doin' it to Kelly's 12 play
Like a DJ we screwin' it while we doin' to Kelly's 12 play
Ooh, ooh, oohin' it, I'm doin' it to Kelly's 12 play
Your body's the cup, my body's the coffee
And I'm brewin' it while we doin' it to Kelly's 12 play CD spinnin', I got you in the mood
Everything he say I'mma do
And I'mma keep it gangsta and stay true
Baby I promise just hear me through So let me hear those, ooh, ooh, ooh, awws
We almost at the end, girl let it out
12, 24, 36, 48
If you up for 60 shawty press play I'm stuntin' like my daddy up in here
Girl you got my lips hangin' off your ear
She pops out the CD, pops in another, we under the cover
Now we doin' it to Dream's love hate
