

# Stargazing (Altisko Remix)

[Tinashe](#)

I,m Still wishing on a Star hoping you will feel me where ever you are i,m still living in a dream (some day you will fall in love with me 2x ill give you the world nobody better babe no other girl will give love love u long time never met a drug that could get you this high( get u this high) never met a drug that could get you this high and i hope that you come cause your invited nice and slow i,m drive your body crazy what ever you want i got you my baby what ever you need i make it so right just give me a chance to make me your lady don't you wanna see what i can provide lying down baby on a warm summer night looking out my window at the sky sky wishing you were hear holding me and the night wouldn't be so lonely i want you so babe i want so much and i wont stop loving never gone stop waiting what ever you want i got you my baby anything you need i,ll make it so right just give me a chance to make me your lady don't wanna see what i can provide lying down baby on a warm summer night looking out my window at the sky sky wishing you were hear now holding me and the night wouldn't be so lonely
