## Da Capo Players

Out on your own, cold and alone again  
Can this be what you really wanted, baby?Blame it on me, set your guilt free  
Nothing can hold you back nowNow that you're gone, feel like myself again  
Grieving the things I can't repair and willingTo let you blame it on me and set your guilt free  
I don't want to hold you back now, loveI can't change who I am, not this time  
I won't lie to keep you near me  
And in this short life there's no time to waste on giving up  
My love wasn't enoughAnd you can blame it on me, just set your guilt free, honey  
I don't want to hold you back now, love
