

Thank Heaven 4 You

Esthero

Thank Heaven 4 you
And the way you take care of me
You hide my secret so well
Thank Heaven 4 you No matter storm to come your way
Whatever season in this house, day to day
You've weathered them all
And you are so strong So thank Heaven 4 you
(You're my angel)
Thank Heaven 4 you
(You're my angel) Thank Heaven 4 you
(You're my angel)
Thank Heaven 4 you
(You're my angel) Whenever I get lost
You never let me disappear for long
You always bring me water
You never let me falter So thank Heaven 4 you
(You're my angel)
Thank Heaven 4 you
(You're my angel) Thank Heaven 4 you
(You're my angel)
Thank Heaven 4 you
(You're my angel) So thank Heaven 4 you
(You're my angel)
Thank Heaven 4 you
(You're my angel) Thank Heaven 4 you
(You're my angel)
Thank Heaven 4 you
(You're my angel) So thank Heaven 4 you
(You're my angel)
Thank Heaven 4 you
(You're my angel) Thank Heaven 4 you
(You're my angel)
Thank Heaven 4 you
(You're my angel) Thank Heaven 4 you
(You're my angel)
Thank Heaven 4 you
(You're my angel) Thank you
Thank you
Thank you
