

I'll Get There

All

Lyrics By Bill Stevenson And Karl Alvarez Music By Karl Alvarez Whatever Happened To All My Plans
Where Did I Go Wrong All The Fun I Was Supposed To Have It Passed Me By I Let It Slip Away By Working
All The Time Burning Out My Mind Wasting Precious Life It's Still Summer Somewhere And I Think I Better
Go There This Could Be My Last Chance For Me To Change My Life It's Still Summer Somewhere And I
Really Need To Go There I Let Love Walk Out The Door It's Still Summer Somewhere And I'll Get There I
Pushed Love Out The Door Cause I Don't Know How To Have Any Fun Cause I'm Never At Ease With
Anyone No Screen No Phone No Fax Work Will Wait Till I Get Back I'm Never Coming Back Never Going
Back I'm Gone So Long It's Still Summer Somewhere And I Think I Better Go There This Could Be My Last
Chance For Me To Change My Life It's Still Summer Somewhere And I Really Need To Go There It's Still
Summer Somewhere And I'll Get There It's Gone For Good Not Only Until Next Year They'll Be No Next
Year If I Don't Get Out Of Here It's Still Summer Somewhere And I Think I Better Go There It's Still Summer
Somewhere And I Really Need To Go There It's Still Summer Somewhere (Anywhere But Here) It's Still
Summer Somewhere (Anywhere But Here) It's Still Summer Somewhere And I'll Get There This Could Be My
Last Chance For Me To Change My Life
