Autonomy (1996 Remastered Version)

Buzzcocks

It's a thing that's worth having
Yes I would
Buys you your life sir
If it couldI
I want you
AutonomyIt leaves us all wondering
And it should
This awkward something
For the goodI
I want you
AutonomyI
I want you
AutonomyIt leaves us all wondering
And it should
This awkward something
For the goodI
I want you
AutonomyYes, I
I want you
