Inferno

Edge of Sanity

Music: Andreas Axelson, Benny Larsson
Lyrics: Andreas Axelson
Andreas Axelson: Guitar
Benny Larsson: Drums
Anders Lindberg: Bass
Dan Swano: Lead VocalsInserted soul denied
No choice but staying alive
Left hand path laughter
The grin strengths up my heartbeat
So where am I to turn
Here where the daylight burns
I'm left for living path
I've been denied the right to dieI feed of sickening
Your pain unpuzzle the inferno
I am the labyrinth
My shadow brings you to your deathI'm placed to walk this earth
I'm sent to stop your birth
Stillborn miscarriage
I'm the reason
I'm to blame
I spread my blackened wings
Our city's doomed in war
Death is my employer
Abdomination non-divineSo if you see me lock away
Or never again you will see the light of day
The bringer of torture
The bringer of pain
never to die
but always bloodstained
BloodstainedThis earth I walk alone
Trapped in the twilight zone
Murder and sickness
Like the hunter, hunting for no pray
I spread my blackened wings
Our city's doomed in war
Death is my employer
Abdomination non-divine
