

Born to Love You

[Charlie Louvin](#)

My life was empty so blue and alone
Then you've put your hand in mine and I knew why I was born
Born to love you born to love you born to share your smiles and tears
Born to be near if you need me dear born to love you till I die I used to wonder what life held in store
Then you held me in your arms now I wonder no more
Born to love you...
Born to love you till I die
