Comin' Back

Bent

I, I walked along and I wound my way around
I, I saw a light, shining bright
I, I'm not sure
Is it too late to call?
So I keep my eyes to the floor

Oh I, I can't carry this load anymore
Oh I'm so afraid to call on your door

Feeling so alone
Along a lonely road
Feeling so alone
Well I'm comin' back

I, walked along the water's edge
I, saw my reflection stare back
I, don't know where I'm going
But I know where I've been
Some days, I don't fit in my own skin

Oh I, I can't carry this load anymore
Oh I'm, so afraid to call on your door
Oh I, can't carry this load anymore
Oh I, I'm comin' back
Comin' back
