

# In A Song

Hunter Hayes

It was the heart that I gave  
The dreams that I made, with someone who don't care  
The time that I wasted feelings I chased that just led me to nowhere  
The sleepless nights, the drag-on fights, that silence always won  
The tears that I cried  
They're breaking inside the loneliness to come It's alright,  
It's this goodbye  
Won't hurt me for too long  
I'll be fine on my own  
It'll take some time, but I know that I  
I can find where I belong  
And I'll find it in a song There's songs about freedom searching for new love  
How ignorance is bliss  
Yeah I know that I'm not the only fool  
Who's been hurt just like this  
Yeah songs about making honest mistakes  
And heartaches I've gone through  
Yeah, then I'll forgive  
I won't have to forget all the good things about you It's alright,  
Yeah it's goodbye  
Won't hurt me for too long  
I'll be fine on my own  
It'll take some time, but I know that I  
I can find where I belong and I'll find it in a song Oh, oh Though I'm sure if I had the chance to go back  
I'd change more than I should  
But knowing I can't is helping my chances  
Of moving on for good  
Now I'm not saying there won't be too many lonely nights  
If the songs I choose getting over you  
Help me make it out alive Ey, it's alright  
It's goodbye  
It won't hurt me for too long  
I can make it on my own  
It'll take some time, but I know that I  
I can find where I belong  
And I'll find it in a song  
Yeah I'll find it in a song Find it in a song, hmm  
I'll find myself in a song  
I'll find myself in a song
