

# Just Another Day

[Jon Secada](#)

Mornings alone  
When you come home I breathe a little faster  
Every time we're together  
It never be the same if you're not here  
How can you stay away, away so long? Why can't we stay together  
Just give me a reason, give me a reason 'Cause I, I don't wanna say it  
I don't wanna find another way  
Make it through the day without you I, I, I can't resist  
Trying to find exactly what I miss  
It's just another day without you  
It's just another day Ohh, making the time  
Find the right lines to make you stay forever  
What do I have to tell you?  
Just trying to hold on to something  
Give us a chance to make it, to make it No, no, no, wanna hold on to never  
I'm not that strong, I'm not that strong I, I don't wanna say it  
I don't wanna find another way  
Make it through the day without you, no I, I, I can't resist  
Trying to find exactly what I miss  
It's just another day without you, no Why can't you stay forever?  
Just give me a reason, give me a reason 'Cause I, I don't wanna say it  
I don't wanna find another way  
Make it through the day without you I, I, I can't resist  
Trying to find exactly what I miss  
It's just another day without you I, I don't wanna say it  
I don't wanna find another way  
Make it through the day without you I, I, I can't resist  
Trying to find exactly what I miss  
It's just another day without you
